Why Nexia Edwards Marshall

A culture of success

We hire a diverse range of individuals with the ability to ask the right questions, listen actively and analyse deeply to spot missed opportunities.

We'll get you there

We're a top 20 global network, already on the ground in over 120 countries, and have offices in every mainland state and territory in Australia.

The specialists you need

We offer over 30 sector and service specialties, from property and construction, healthcare, professional services and many more.

Ready for what's next

We equip our team with the vital skills to thrive in tomorrow's world, so we can guide you to success, no matter what this looks like.

Accounting Standards

Chetan has extensive financial statement audit experience with proven credentials in leading and executing public and private audits having worked in the UK and Australia.

Chetan has an excellent understanding of IFRS including a proven ability to work through complex technical accounting matters including, goodwill impairment, business combinations and inventory valuation.

Finance Industry

Chetan has worked on several large clients within the financial services industry, with deep specialism in IFRS 9, treasury, financial instruments and regulatory reporting.
