George Papanicolaou

Business Consulting

George works closely with his clients to build strong professional relationships and ensures they are fully informed and armed with the knowledge they need to be successful no matter what stage of the business cycle they are at. Whether it's at start-up, growth, succession planning or winding up, George ensures all his clients tax compliance obligations are met and provides value add services such as budgeting, cash flow analysis, monthly reporting and structuring advice to ensure they are achieving their business goals and can sleep well at night.

Wine Industry Taxation

Working with a number of businesses in the wine industry, George has extensive knowledge of the complex Wine Equalisation Tax (WET) regime and specific structure requirements for wine producers.

South Australian Taxation

While having the ability to assist clients with all aspects of taxation, George has specialist knowledge around South Australian State Taxes. This knowledge is invaluable when advising clients on the tax implications on property acquisitions, business restructuring and estate planning.
