### Business Consulting

Lauren assists clients in meeting their taxation and business obligations in a timely manner. With strong attention to detail, she ensures her client's needs are met, including, producing ASIC forms and minutes when their business changes, keeping up with legislative amendments (for example the recent South Australian land tax reforms), and available government grants.

### Accounting

Lauren's friendly and personable nature makes her the ideal candidate to assist clients within their business on a regular or ad hoc basis at their premise or remotely.

She has been on several secondments, where she has partaken in several roles, which include, working in accounts receivable, compliance, business analytics, budgets, forecasts and independent consultancy.

She can assist document these procedures and assist with the training of staff. The secondments have given her the opportunity to do this across a wide variety of industries, locations and software platforms.
