Business Consulting and Taxation

Sonia strives to provide assistance and solutions that delve beyond just the numbers and add value to your business. Sonia has formed some long-term relationships with clients, assisting with issues clients face by businesses on a day-to-day basis.

Sonia assists clients in meeting their annual financial reporting and taxation obligations. She has experience with businesses of all sizes across a diverse range of industries, specialising in Property & Construction and Wine and Viticulture.

In addition to this, she is able to assist companies in meeting their Corporate Compliance obligations by producing the necessary ASIC forms and minutes, including the preparation and lodgement of complex forms required for large proprietary companies.

Property, Construction, Wine and Viticulture industries

These industries have a unique operating environment which Sonia has an intimate understanding of. Sonia has assisted with services such as financial and management accounting, detailed budgeting, reporting system reviews, stock control reviews and Wine Equalisation Tax. The tailored services allow clients to have a better understanding of profitability and cash flow.
